Covid Update

Dear Parent / Carer

As a school unfortunately we have had a rapid rise in positive Covid cases. We have therefore made the decision to re-introduce our previous systems and policies for the children, and around the school. These systems will be in place until the end of term to ensure our school community stays as safe as possible.

From Wednesday 1st December, the following systems will be in place:

- Staggered start and finish times across the school to reduce high number of parents on site at the same time.

Start Times / Collecting Times

8.30am – 2.30pm - Year 6
8.30am – 2.30pm - Year 1
8.40am – 2.40pm - Year 5
8.40am – 2.40pm - Year 4
8.50am – 2.50pm - Year 3
8.50am – 2.50pm - Year 2
8.50am – 2.50pm – Reception

Nursery

Due to Bubble Groups, times have been reduced – please see below

- Nursery AM session Start 8.40 am – Finish 11.30am
- Nursery PM session Start 12.00pm – Finish 2.50pm

If you have siblings throughout the school we have adopted a soft start to support our families, BUT if you do not have siblings please do not arrive until your time allocation. e.g. Reception Class 8.50am

- The one way system will continue. **Please ensure ALL children and parents come in the main entrance and not enter via the exit gate.**
- Under government guidance masks do not need to be worn outside but if you have an **appointment or need to speak to school staff then Masks should be worn.**
- Children will remain in their bubbles at all times with break and lunch remaining separated from other children.
- From Monday 6th December when children are outside they will wear a coloured bib again to indicate which bubble they are in.

Empowering skilful, independent learners for the future

- School office will be closed to parents. Please email or call if you have any queries. If you are collecting your child for an appointment, please call the office to inform them.

Reporting Illness

To ensure we keep everyone as safe as possible, please could I remind you that all children who are now absent with illness, must take a LFT. The result can then be reported to the school office at the same time as your child's absence. **If their LFT is positive, please book a PCR test and inform the school and update us as soon as you have received their result.**

We will keep you informed via email/text regarding any updates or further changes within school. Please speak to me or your class teacher if you have any concerns.

I hope that with the above precautions we will all be able to enjoy the Christmas festivities at school.

Thank you for your continued support in these difficult times.

Kind regards.

Yours sincerely

Mr N Richardson
