Dear Parent / Carer

School Closure - Children eligible for Free School Meals

As you are aware, the Government has pledged funding for packed lunches, hampers or food vouchers for those children eligible for free school meals (not Universal Infant Free School Meals). We are working hard to find a process to get these vouchers to families as soon as we can.

In the meantime, the School are able to provide a packed lunch for your child/ren if required. Lunches need to be ordered in advance on the School Gateway and the options are cheese, ham or tuna. You will need to enter the choices in the comments section.

Lunches will be available to collect from the office from 11am each day.

We will send a further letter regarding food vouchers once the process has been finalised.

Yours sincerely

Headteacher
