Headteacher: Yvonne Davis

14th July 2020

Dear Parents/Carers

I would like to introduce myself formally as the incoming Headteacher at Oak View Primary and Nursery School. I was delighted to be appointed and am greatly looking forward to leading this incredible school from September. I hope I find the children, you and your extended families well and not suffering any direct adverse impacts from Covid during this unforeseen time.

When I was appointed on 23rd March, seemingly a lifetime ago, I had no idea of the unprecedented challenges we would face as a school community and wider society. My first duty is to thank you as parents for everything you have done to support your children and the school in adjusting to a remote learning environment. We appreciate the huge challenges that the partial closure of schools has placed upon you. Home schooling is not easy and the wider economic impact upon families has been profound.

However, a return to something approaching normality is on the horizon and I am delighted to say that Oak View Primary and Nursery School, will be welcoming **all** students back on a full-time basis from September.

A further letter explaining arrangements for September will follow in the next few days. In the meantime, please note the following dates:

- Wednesday 2nd September: Staff Training Day
- Thursday 3rd September: Staff Training Day
- Friday 4th September: Year Group Induction sessions
(more information will follow in my next letter including Reception and Nursery arrangements)
- Monday 7th September: Y1 - Y6 children return to school

Yours faithfully

N Richardson
