- I wish all the best for the students and teachers as well as many thanks
- The school is in need of refurbishment, the windows, the doors are old and single glazed, some are peeling on the inside, there is a strong smell of urine in the hall where there children have P.E. Council need to invest some money in this school. I think the teachers are doing a brilliant job, but conditions should be better, some parents are put off by this when they choose the school for their kids.
- Thanks. My son has greatly improved in his studies. Am happy. Many thanks for being there.
- I am very content.
- The teachers at school are very polite and assist if you need, Thank you Oak View.
- Very pleased with the school since starting, we have had no concerns or issues.
- I would really appreciate if lunch time/playtime is supervised as younger child is easily bullied by older children.
- I have three children in this school & they are all very happy & have very good teachers and staff.
- My children have attended Oak View since 2010 and we have seen a huge improvement with the school over all in the last 7 years. So pleased we chose Oak View, they are have given the children a fantastic start to their learning.
- Our son has learnt so much in his first term at reception. We as parents love the idea of Forest School, so they can learn outside when given the chance.
- My child makes good progress at this school, so we are happy with the management of the school, Thank you.

- Great information given on my child's progress
- It would also helpful if all letters sent home were also up loaded to the website.
- Since my child has started at Oak View he has exceeded in his reading, maths and spelling.
- My views are based on my son getting bullied for weeks and language he has learnt.
- The reason I selected neither agree/disagree because he seems to have injury forms to his head and also he has been bullied on numerous occasions and I feel as if this issue hasn't been properly dealt with.
- Please explain to kids from very young age that what is bullying and whom to tell without wasting a second. Thank you.
- At teacher level I am happy. At administration level I find the school disorganised and lacking in care.
- I find the communication between staff to staff and parent to staff could be better. The homework is way too much for KS1.
- Very nice school
- More progress updates would be welcomed. My son's school has online learning journey app. Where I can see work items posted. It would be nice if something similar was available here. The app at his school is called 'Tapestry'
- Too much homework KS1
- Thank you for all the efforts & your teaching.
- For year 1 just too much homework.
- My child is in year 1 and I and many other parents feel they get an awful lot of homework to complete. We find it hard to find the time to do it all and my child can lose interest and not want to do it at all.
- Teaching fluctuates.
- My child enjoys coming to Oak View, she enjoys learning and is encouraged to do her best. Sometimes homework is a bit hard and it takes a while to understand.
- It is a great school through it's important to be strict with the children's uniform. Kids should be smartly dressed all the time during school hours.
- Overall I will say it's a very good school, I am happy to send my son in this school. I will recommend to my friends for their kids. (year 3 parent)
- Homework should be issued more than once a week
- In my opinion I think that children should have more homework to do, to practice more what they are doing in school.
- There are a few things that I don't know about the school as my child has been attending for 5 only 2 weeks, I agree with most of above. My older son attended Oak View Primary for 6 months in 2010.
- Thank you very much
