

My name is Sheila Jones and I have been a School Governor for over 20 years.

I became a Governor at Oak View School after the amalgamation of New Briars and Stream Woods in 2007.

I am a serving Town Councillor and have been on the Council since 1991. I have been Chairman of the Council twice and this year I was Town Mayor. During this time I was lucky to meet Prince Charles and his wife Camilla.

I am treasurer to the local Air Training Corp and I am also Chairman of the Wellfield Trust which is a local Charity.

I am married and my husband and I have 9 grandchildren (grown up) and 7 great grandchildren.

I always enjoy coming to school and meeting the children who are always helpful and polite.
