Wrap Around Care at Oak View Autumn Term 2021

Dear Parent / Carer

Before Lockdown in March 2020, the school had breakfast club provision, which parents could use to support with childcare.

Recently, some parents have enquired about this provision again. Due to the bubble system we are operating, we have decided not to re-introduce this at the current time. However, I have recently met with an outside provider who would offer morning and after school care from the Autumn Term.

The school can only offer this provision if we have enough parent uptake to support the wrap around care.

Please find below a link with a questionnaire, which will provide us and the external provider with the correct information to see if the offer is viable.

The electronic survey will only take 1 minute to complete and **closes on Friday 25th June at 3pm.**

Please complete this form if you are interested, as if we do not receive enough interest Oak View will be unable to offer wrap around provision.

Kind regards

Mr N Richardson
