

My name is Maureen Cook and I am a Community Governor at Oak View School

I have been a Community Governor at Oak View Primary and Nursery School since it was set up from a merger of Stream Woods and New Briars schools in 2007. I was a Parent Governor at Brookmans Park Primary School from 1985 to 1991, a Local Education Authority (LEA) Governor at Little Heath Primary School from 1983 to 1987 and an LEA Governor at Bishops' Hatfield Girls' School from 1990 to 1998. I also sat on the LEA's Admission Appeals Panels for several years.

I worked for eleven years until 1997 as a School Secretary at Mount Grace School in Potters Bar and was also Clerk to the Governors during that time. I then worked for the local Member of Parliament, Melanie Johnson, until 2005.

I have represented the residents of Hatfield Central as a Welwyn Hatfield Borough Councillor since 1992 and, since 2013, am also a County Councillor representing Hatfield North.

I enjoy being a governor at Oak View and feel very proud to be a member of the Governing Body which oversees the excellent work done by all the children and staff.
