

This half term we will spend time getting to know your child in all of the 7 areas of learning. This is assessment on entry and we will do this through the topic 'We are family.' The second half of this term will be based on the topic 'We are Family.' This is looking at our own families and lives.

Physical

Children will be learning how to get dressed and undressed for PE and forest school. Learn how to travel in different ways around the hall and outside, developing awareness of space, safety and rules (avoiding others/obstacles). Develop their fine motor skills by threading, colouring, cutting and writing. We will also be doing Physi-Gym every day to help children focus and get ready for their daily learning.

CL

We will be developing our communication through speaking and listening activities that take place in class at carpet times and small group activities. We will be learning new vocabulary related to our new school environment. We will be talking about their favourite things, family, special events and times. We will also be learning key describing words for our senses.

PSED

We are learning about rules, routines and behaviour and using appropriate language. Playing and working co-operatively through sharing and turn taking. They will be talking about their favourite things. They will be describing their family and people who are special to them. We will talk about special events and times. Expressing and describing feelings. Learning how to use the indoor and outdoor environment.

(Entry Assessments)
We are family

Maths

We will be learning to recognise numbers to 10 and beyond. We will be learning how to count objects, actions, sounds and things that can't be moved. We will learn all of the basic 2D shapes and some children will begin use mathematical language to describe their properties. We will be learning to sort in different ways.

Autumn 1 2017

Literacy

We will be learning how to read and write our name. We will begin phase 2 of phonics, learning letter sounds and how to use and write them. We will draw pictures of our family and attempt to label who they are through mark making. Children will begin to look at picture books as a class and use the pictures to describe what is happening.

UW

Talk about their favourite things and describing special times and events from home. Learning how to use various ICT equipment such as the interactive whiteboard, bee bots, camera, IPAD. We will looking around school and getting to know our environment. Learning about our Forest School environment and talking about things we find in nature.

EAD

We will paint self-portraits of our faces and learning to choose colours for a purpose. We will be learning songs and actions to a few songs such as physic-gym. We will be using a variety of materials to create and make structures and pictures. We will be creating our own healthy eating plates, using cutting and sticking skills.
