

Sports Premium at Oak View Primary and Nursery School

PE and sport premium funding guidelines

Schools must spend the funding to improve the quality of the PE and sport activities they offer their pupils, but they are free to choose the best way of using the money.

- hire specialist PE teachers (**Saracens**)
- hire qualified sports coaches to work with teachers (**Sport For All**)
- provide existing staff with teaching resources to help them teach PE and sport (**Cybercoach teaching resource, new indoor athletics equipment**)
- support and involve the least active children by running or extending school sports clubs (**Lunchtime football, afterschool netball and Change4Life clubs**)
- run sport competitions or increase pupils' participation in the School Games (**See SSCO fixture lists**)
- run sports activities with other schools (**HPSSA fixtures and hosting events**)

The four objectives of the Primary PE and Sport Premium funding are:

<u>Objective</u>	<u>What we are doing</u>	<u>Who we are supporting</u>	<u>Cost</u>
To improve the quality of existing PE teaching through continuing professional learning in PE for teachers, so that all primary pupils improve their health, skills and physical literacy, and have broader exposure to a range of sports	Sessions are planned and organised by the All For Sport Company . These sessions are used to develop teacher confidence with the delivery of sport. The coach is the lead adult and responsible for the main organisation and instruction of the pupils. Staff are given an active role within each session and build up to full delivery towards the end of a unit. There is an expectation that assessment is completed alongside the coaches to produce an accurate class profile by the end of the 12 weeks.	Staff (CPD) Pupils receive high quality teaching and access a wider range of sports than were previously available in school. Assessment team/Subject Leader	£800 per month
To increase participation levels in competitive sport and healthy activity of pupils, and maintain these into adolescence (also see Change4Life below)	Intra-school Sporting events will be held throughout the year including dance and gym displays, hockey, football, basketball, tag rugby and rounders tournaments. There will also be non-traditional sports/activities which are not normally taught in the curriculum, but which link with themes being studied e.g. the Ancient Greek Olympics. In the last term of the school year there will be a whole school sports day involving both sprint and novelty races. Older children and Young Leaders are involved in the organisation and running of events, particularly guiding, supporting and encouraging younger children.	Pupils enjoy sport through both competitive and non-competitive events. Activities range from individual to whole class, to develop their confidence and teamwork. Children have an audience for their skills and constructive feedback in a supportive setting. Small rewards such as certificates and stickers reward both participation and success. Parents may attend and cheer their children on.	Free

	<p>Inter-school Sports Partnership Onslow St Audrey's School to include:</p> <ul style="list-style-type: none"> - Training for staff. - Modelling outstanding lessons. - Provision of extended competitive sporting opportunities. - Gifted and Talented events - Sports team development - Playground Leader training for Y6 - Reciprocal leadership development arrangement with Football Academy - Hosting, organisation of or transport to 'Family' and 'Partnership' events <p>Membership of Hatfield Primary School Sports Association (See fixtures for both below)</p>	<p>Pupils from Years 2 to 6 are involved in inter-school fixtures. Representing the school at any level is highly valued and the team always receive special school kit to wear and their efforts are praised in assemblies and newsletters.</p> <p>Young Leaders from Onslow can earn credits for coaching our pupils.</p> <p>Parents are encouraged to support at all team events.</p>	<p>£2,500</p> <p>£100</p>

<i>11th June</i>	<i>MU11 Cricket @ WGC CC 12.30-4pm</i>

Additional information

Autumn Term 2014 News

Years 2-6 listened to speeches in assembly prepared by some pupils from Year 6 who wanted their peers to vote them into the position of Sports Captain. Many congratulations to Kimberley and Liam who will now be going forward for Bronze Young Ambassador training.

We have also participated in a wide range of sports events:

Our football team played very well in the October tournament hosted by Onslow St Audrey's. They went through to the semi-finals and narrowly lost in a penalty shoot-out. William Grove was Man of the Match. Excellent all round performances by Tyler Garnett and Harvey Field have resulted in their selection for the new Hatfield District team; we are very proud of them. All of our football squad attended a Gifted and Talented event working with coaches from the local Football Academy. They were muddy and wet, but loved the experience!

Year 5 all ran in a Fun Run at Onslow. Pupils who finished in the top 10 were invited to represent the Onslow Family at the Stanborough Park cross country event. The course is both long and challenging and Connor, Alfred, Oskar, Elivjo, William, Millie and Shona impressed us all by completing the course in competitive times.

Year 6 entered two teams into the Onslow Family basketball competition. Both groups played brilliantly and one team won the event! An Oak View team then went forward to the Welwyn and Hatfield finals. The standard of play was very high and our squad performed well against some talented opponents.

Oak View entered the Saracens tag rugby tournament held at Welwyn Rugby Club. There were hundreds of participants! In the first round of the competition each school had to play 5 matches. All of our players were outstanding and the team won every game. They were thrilled to go through to the quarter finals and were even more excited when they won again and went through to the semi-finals. Unfortunately, after extra time, the first school to score automatically went through to the final..and it wasn't us. It was, however, an amazing day and the squad were very happy to come 3rd out of 30 teams.

And finally, thank you to the Year 1 children for sharing an excellent gym and dance display with us. You showed excellent control, timing and coordination!

Spring Term 2015 News

This term the netball team (players from Yrs 5&6) has been competing in matches against other Hatfield schools. We have also seen Year 4 children practising their Speed Stacking and a squad attended the Welwyn and Hatfield finals held at Onslow School. Unfortunately our footballers were knocked out of the Maynard Cup by a strong team from De Havilland Primary School.

Good news from our athletes.....

The Indoor Athletics team (Mixed Year 5/6) participated in the Onslow Family event at Hatfield Leisure Centre against Howe Dell, St Mary's and Green Lanes. The children were really pleased that their training paid off and they came 1st! The next stage was held at the University of Hertfordshire and the team took part in both track and field events against winners from the Monks Walk, Stanborough and Sir Fred's families. On this occasion the girls and boys were competing as separate teams and the boys did well to win silver medals and the runner's up position in their group. The girls were thrilled when they were announced as the winners of their group. Each girl received a gold medal and they are now going forward to represent Welwyn and Hatfield at the District Finals at Wodson Park.
