16th May 2017

Dear Parents of Year 1

The week beginning Monday 22nd May is the start of Children's Week. The children in Year 1 have chosen to learn about superheroes. All subject areas will be based around their chosen topic 'Superheroes'.

To provide children with the best learning opportunities, we kindly ask if you could provide your child with a **plain t-shirt**. It would be preferable if the t-shirt is bigger than the child. Please note the t-shirts will be painted on. We finally ask for each child to bring in a **toy figure** similar to a superhero. This could be a Spiderman or Elsa toy doll. The toy figure must be in a bag with their name on it. We cannot take responsibility for any lost or broken toys, so please make sure it is not a favourite toy.

Please can you ensure your child has brought into school both a plain t-shirt and a toy figure by Friday 19th May.

If you have any questions please see the class teacher.

Thank you.

Yours sincerely
