Dear Parents/Carers,

As you may be aware, the children will be participating in activity week (week beginning 22nd May). The focus for Year 3 will be *Heroes and Heroines*. With this in mind, we are asking children to dress up as a Hero or Heroine on Monday 22nd May. This can be either a real Hero or a fictional character.

On Tuesday and Wednesday we will be participating in a blind taste test. If your child has any particular allergies to certain foods, please let your respective class teacher know so those items can be avoided.

We thank you for your assistance in this.

Yours Sincerely,

Ms Kandeepan.

Empowering skilful, independent learners for the future
