Dear Parents of Years 5 and 6

Level 2 Bikeability Cycling Course

We are exploring the possibility of arranging Level 2 Bikeability Cycle Training for pupils in Years 5 and 6 during half term week in February.

The training will be run by Bikeability and will be over 4 days (Monday 13th to Thursday 16th February). The cost of the training would be £40 per child.

The course is designed to improve cycle control, not teach children to ride. The children would need a roadworthy cycle and their own cycle helmet.

If you wish to register your interest in the Bikeability training course, please return the slip to the school office by Friday 16th September. Please note that a minimum of 10 pupils would be required for the course to take place. **Please do not send in payment until the course has been confirmed.**

Yours sincerely
