5th February 2015

Dear Monet and Turner Parents

Year 2—Animal Experience

We have been fortunate to arrange an 'Animal experience' for the children in Year 2. This event will take place on Thursday 25th February when a variety of creatures will come to visit us at Oak View, including Meerkats, which links in with our Literacy focus.

These animals are extremely popular and have appeared on the History Channel, Channel 4, Lion TV, Animal Planet, Granada Breeze, Blue Peter to name but a few. They have even been filmed with David Attenborough.

It will be an amazing opportunity for the children who have been studying animal habitats to see the animals and ask the experts questions. We will take lots of photographs so you can view the children enjoying themselves.

To ensure we are able to confirm this experience for the children, we are requesting a voluntary contribution of £3.00 per child. Please note, however, that should we receive insufficient contributions, the event may need to be cancelled.

Thank you for your support to allow us to further enrich the children's learning.

Yours sincerely

Miss Hurley

Mrs Jackson

Mrs Wombwell
