### **Home Learning**

**Please use the "Home Learning" tab on your child's home page to find the work set - you will need to put your cursor over the bar to prompt the drop down tab in order to select.**

**Work will be set daily, and will be available by 9.00am each day. Please take pictures of work and upload to your child's "work" page each day (please name the files that you upload: the file name should start with which week we are in: eg for this week a file name might look like: "Week 1 Literacy Tuesday").**

**Any resources that are indicated can be found in the "files" tab on the left hand side. They will be named by week and day.**

### **Reading**

**You can find online books to practice reading at home. Go to "Oxford Owl" or "Collins Big Cat Books" pages above to find information on how to Log-in.**
