An eco-community on a mission to rescue food from landfill

Every week tonnes of fresh and edible food is thrown away by supermarkets in the UK as they clear older stock to make room for the new. Fresh fruit and vegetables, bakery products and store cupboard items which still have days and weeks of life remaining are destined for landfill, adding to the ever growing problem of CO2 emissions and climate change.

Food Rescue Hub rescues this food, crates and crates of it every week, and diverts it to fill tummies, not landfill. We make this food available to our ever-growing community of food rescuers who, like us, don't want to see perfectly good food go to waste. Everyone is welcome to bring their two empty bags and come and rescue food from our Hubs, and in doing so will be contributing to halting climate change.

Pay-as-you-feel

Your donation towards your rescue is what keeps our project sustainable and which allows us to recover food for you to rescue. The suggested minimum donation of £5 for two bags of shopping per rescuer but of course any amount you can contribute is very gratefully received.

Pay-it-forward

We run a scheme which enables people to pay a donation in order for someone else who may need it, to get their rescue shopping for free. All donations welcome at our Hubs or via our website. Anyone is welcome to request a pay-it-forward voucher anytime, no questions asked.
