Wednesday Halal lunches

Dear Parents/Carers

We are receiving an increasingly high number of Halal orders for children who do not require Halal on a Wednesday. Halal is an option reserved for those with religious beliefs only.

We are restricted with the amount of Halal meat that we are able to order each week. Therefore, if you have ordered the Halal option and your child does not require this for religious reasons then **we will change your child's option** as we do not have enough to cater for everyone.

You can order or amend orders up until 8.30am that same day.

Kind Regards

Mr N Richardson
