Introducing Bella

Our School Dog

Bella is a Beagle Puppy. She was born
on 1st February and she is now
6 weeks old

This is her mum Piper. If you look
carefully you can just see the puppies
under her.

Before being called Bella she was known as Coraline (this is still her Kennel Club Name). She has three brothers – they are called Dashwood, Gatsby and Heathcliff.

Bella will be joining us in school after the Easter Break.

She will still be very young and like you she is going to go school each week to learn how to behave well.

At puppy school she will learn lots of things such as:

To sit, to lay down, to stand, to stay, to wait, to recall (come back), a fun trick and not to jump up. And hopefully not to bark and howl too much!

She is starting to like to play and chew things

But she still needs lots of sleep

Bella will 'live' in our school office when she is at school. She will have a cozy bed and a crate that she can go in to help her feel safe. She will have water, food and lots of toys to play with.

As you can see, Bella is already learning about 'office' things

She may sometimes go around school with me but she will always be on a lead so you should not be scared if you see her.

**There is also a really important thing
that you must do to help Bella learn
to be a good dog.
For her first year in school**

YOU MUST IGNORE HER

Certificates, stickers and prizes will be given to the 'Best Ignorers'

Once Bella has passed her Puppy Training Assessment then I am sure that she will be very pleased to meet and spend time with you.

She is a lovely cuddly girl

While Bella is in training you could always ask at the office if you can stroke or cuddle her buddy.

REMEMBER
If you see Bella in school please IGNORE HER!
