Note: The difference between combined results in 2016 and 2017 is the result of significant mobility in years 5 and 6.

13 pupils joined the school during years 5 and 6

- 8 were new to the country, not performing at age related expectations – 50% achieved combined RWM
- Of the 5 children not new to the country, 3 were working broadly in line with age related expectations. The other 2 were low attainers
- 2016 results based on 93% pupils, stable cohort
- 2017 results based on 75% pupils. Significant mobility in years 5 and 6
