### **How can you request access to your personal data?**

Parents / carers have the right to request access to information about them that we hold via a Subject Access Request (SAR). To make a request for your or your child's personal data, contact our DPO, Mr Patrick Aikman, School DPO Service, Email:

[patrick@schoolposervice.com](mailto:patrick@schoolposervice.com). The legal timescales for the school to respond to a Subject Access Request is one calendar month. As the school has limited staff resources outside of term time, we encourage you to submit Subject Access Requests during term time and to avoid sending a request during periods when the school is closed or is about to close for the holidays, if possible. This will assist us in responding to your request as promptly and fully as possible. For further information about how we handle Subject Access Requests, please see our Subject Access Request Policy.
