2nd March 2021

Reception Returning to School **Monday 8th March**

Dear Parent / Carer

On Monday 8th March all children will return to education and it will be fantastic to see the Oak View community back together. Mrs Nash and I will be on the main gate to welcome you all back.

During the 3 weeks we are back before Easter, the school will be focussing on routine, daily core subjects, English, Maths and Reading. The afternoon sessions will be built around science, theme, art, PE and pupils wellbeing. It is important we assess the pupils on their return to ensure that we plan the summer term effectively to support their learning.

The school systems and policies will remain the same from Autumn term, but I would like to remind you of the key points to remember.

- Start and Finish times will remain staggered across the school to reduce high number of parents on site at the same time.
- **Reception Start 8.50 am – Finish 2.50pm**
- The one way system will continue. **Please ensure ALL children and parents come in the main entrance and not enter via the exit gate.**
- **Masks MUST** be worn at all times while on school site by adults. New signs will be placed around the school to ensure everyone's safety. Please adhere to this.
- Children will remain in their bubbles at all times with break and lunch remaining separated from other children.
- When children are outside they will wear a coloured bib again to indicate which bubble they are in. **Please can you ensure children return their bibs on the first day if they took them home at the end of the last term.**
- If there is a positive case in any bubble, the whole bubble will need to isolate for 10 days following the government guidelines.

Empowering skilful, independent learners for the future

Please remember it is essential if a child who is attending school has any covid symptoms or has been in contact with a family member who has had symptoms they self-isolate and take a test if necessary. **School must be informed straight away so protocols can be followed and all pupils / staff can be kept safe.**

Thank you for your continued support and I look forward to seeing you all again on Monday morning.

Yours sincerely,

Neil Richardson
Head Teacher
