## **Staff Leaving**

Dear Parent / Carer

Over the last 3 years school staffing has kept at a constant with very few staff moving on, which has been a testament to the Oak View children and community.

This year we have 3 members of staff leaving our team and moving on to their next adventure/phase in life.

They are:

- |                 |                      |
|-----------------|----------------------|
| • Miss Hall     | Deputy Head          |
| • Miss Richards | Year 3 Class teacher |
| • Mrs Pauley    | Teaching assistant   |

**Miss Hall** has been at Oak View for 15 years, starting her teaching career here and progressing to Deputy Head in recent years. Miss Hall has successfully been appointed as the new Head Teacher of Birchwood Primary School in Hatfield. Her personality, work ethic and commitment to the children, school and community will be hugely missed by all.

This is a wonderful opportunity for her and a role she will be amazing at. Good Luck Miss Hall.

**Miss Richards** has been a class teacher for the last 4 years at Oak View and she is taking the next step to further her experiences in primary education and work in another primary school in Welwyn Garden City. She has been a fantastic addition to the school and we wish her all the best in her next adventure. Good Luck Miss Richards.

*Empowering skilful, independent learners for the future*

**Mrs Pauley** over the last 9 years has given so many children the new experiences of gardening, outdoor learning and cooking. I really hope these are life long memories and experiences Oak View children will never forget. Mrs Pauley will be retiring at the end of the term and taking time to enjoy her hobbies and interests away from work. Lucky her. Thank you Mrs Pauley and enjoy your retirement.

On Tuesday 11<sup>th</sup> July I will send a letter to all parents sharing the new classes and teachers for next year. The children will spend time in their new classes on Thursday 13<sup>th</sup> July for their transition day.

Kind regards

Mr N Richardson
