Transition Day and End of Term

Dear Parent / Carer

It was great to see you all for Sports Day last week and the positive feedback we received about the events. Thank you.

Unbelievably, we only have 9 days left of the school year and they are a very busy 9 days for the school. I would just like to share some key information with you all, so you and your child / children are aware.

Transition Day – Thursday 13th July

All year 6 children will be attending their new secondary schools on this day, so we will take this opportunity to do our own transition day in school.

After registration the children will meet their new teacher and TA and will then spend the day in their new classroom. They will return to their current classroom for collection at the end of the day.

The children will be informed of their new classes tomorrow in class, giving the teachers time to prepare them for transition on Thursday.

Already Mrs Young and her team have been preparing some children for the changes and these children were informed this afternoon, so the anxiety and pressure is not too much on Thursday morning.

Pupil Reports

Pupil Reports will be sent home with your child on **Tuesday 18th July**. The report feeds back on the pupils core subjects, with next step comments for the next school year. Your child's academic levels will be shared too, explaining if they are on track for age expected levels or working below or above these.

The foundation subjects will be fed back within a table with a final comments box completed about your child and their overall successes of the year.

All children have worked well this year and shown progress in their learning once again.

Last Day of Term

Please remember school will finish at 1pm on Friday 21st July. All children need to be collected at this time. There will be no afterschool club.

School will reopen on Monday 4th September 2023.

I hope you all have a fantastic summer and enjoy this amazing weather we are having presently.

Thank you again for all your support this year.

Kind regards

Mr N Richardson
Head Teacher
