Important Woods Avenue - Traffic and Parking

Dear Parents and Carers

As you are all aware, the parking and traffic management at the start and end of the school day can be very chaotic outside both schools.

Following an incident yesterday that required police presence, we are asking for all parents who drive to school to please:

- Park in a sensible and non-obstructive way
- Not to park on double yellow lines or yellow zig zag lines
- Not to make a U turn in the road
- To put children into the car from the pathway and not the road side

The ultimate priority is the safety of our children, but also to try and maintain moving traffic along Woods Avenue at these busy times.

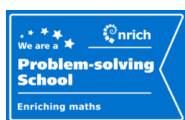

Both schools have requested support from the local PCSO (Police Community Support Officers) to help with traffic management during these times.

Please try and consider the points above to keep Woods Avenue safe for our children.

Kind regards

Mr Richardson
