## **Wrap Around Provision at Oak View** **from September 2022**

Dear Parent / Carer

Earlier in the term we informed you that Treetops will not be working in collaboration with the school from July, which provided an issue for some of our working parents with before and after school care.

We have tried very hard to develop relationships with other providers, but unfortunately we have not been able to secure any external companies. Therefore, to try and support our community we have decided to run our own provision for the Autumn term to see how successful it is.

We will run a before school club from 8.00am–8.40am with a charge of £2.50. We are unable to provide food and ask that all children who attend have had breakfast before they arrive. We will provide fruit and milk/water, but nothing that equates to a breakfast meal.

After school we will run a club from 3.15pm–4.30pm each day, at a cost of £5 per child.

In both clubs the children will have opportunities to do choosing activities, reading, homework and sports.

We have not formalised the booking process / payment system yet, but I wanted to share this information to help parents prepare for September. I appreciate it is not the same provision as Treetops, but we are doing this all internally and are trying to support our working families.

If you have questions please do not hesitate to contact myself.

Kind regards

Mr N Richardson  
Head Teacher
