Change of Classroom

Turner Class

Monday 19th April – Friday 23rd April

Dear Parents/Guardians,

Next week your child's class will be based in the Eco Classroom outside due to internal building work taking place in their classroom.

Your child's learning day will continue to be the same time: 8.50am – 2.50pm

Due to this change in environment the children's learning will be largely outdoor based (weather permitting) with a core focus around the Forest School experience. The children will still have Maths and English lessons, but with a practical theme rather than book based. They will take part in outdoor challenges and learn more about outdoor environment we live in.

As the setting is different for the week children can come to school in non-uniform, **BUT they must still wear a school jumper**. Tracksuit bottoms, jeans, trainers etc. will be allowed. Also please ensure they have a warm coat, (hat / gloves if necessary) and suitable outdoor footwear.

We appreciate this is a change for your child, but we have planned an exciting week that will further develop your child educationally, but also develop relationship skills, team work and promote well being

If you have any questions, please do not hesitate to speak to your class teacher.

Yours sincerely,

Mr Richardson
Head Teacher

Empowering skilful, independent learners for the future
