15th September 2023

Dear Parents/Carers,

We have been fortunate to secure working on a project with a company called CEMEX. The company is providing two quarry site visits where the children will be able to visit a working quarry and another which has been turned into a nature reserve after its use. At this quarry the children will be able to take part in bird watching.

On the 3rd October Y3 will be visiting a local, working quarry and on 16th October they will be going to Amwell nature reserve.

The first visit is in the afternoon and the second in the morning. The return time for 16th October is 12.30 so the kitchen can only provide the children with a school packed lunch. The children will have the option of cheese or tuna. Please complete the question on the consent form to advise whether they require a school lunch or whether they will be bringing in lunch from home.

The project is fully funded and requires no cost. Please however, could you return the following Jotform to provide permission for your child to attend the visits.

<https://form.jotform.com/232502889510355>

On both of these dates, please make sure that your child has a pair of outdoor shoes to change into (could be wellies) in a bag. They will need to change shoes before getting on and off the coach.

Kind regards

Miss Lee & Mr Cahill
