

This term our theme is
Adventurers and Explorers

Science

Living Things and their habitats– 1st half term

Compare differences between the things that are living, dead, and things that have never been alive.

Animals including Humans-2nd half term

Recognise changes from a baby to adulthood. Investigate what happens to our bodies if we do not drink enough water or eat the right foods and breathe clean air.

Plants – Observe and describe how seeds and bulbs grow into mature plants.

PE

Games: ball skills including dodging
Gymnastics: linking moves into sequences

PSHCE

Transition back to school activities – Time to build relationships and enjoy learning together. Be aware of choices and the difference between right and wrong. Realise that all living things have needs, and that they have responsibilities to meet them.

To listen to people, and play and work cooperatively. Identify and respect the differences and similarities between people.

Music

Explore beat and rhythm. Create long and short sounds. Record and evaluate music.

Literacy

Book study – No longer Alone by Joseph Choelho

Narrative: Stories by the Same Author:

Focus author: Anthony Browne

Non- Fiction: Explanation and recounts

Poetry: List poems and calligrams

Take one Book: a visual text will be chosen as a focus for a range of activities to enrich the children's learning.

Monet and Turner

Year 2

Autumn 2020

Mathematics

To count in steps of 2, 3, and 5 from 0, and count in tens from any number, forward or backward. To compare and order numbers from 0 up to 100; use <, > and = signs. Add and subtract a two-digit number and ones, and two two-digit numbers. Recall and use multiplication and division facts for the 2, 5 and 10 multiplication tables, including recognising odd and even numbers. Find given value, add and subtract money. To recognise, find, name and write fractions $\frac{1}{3}$, $\frac{1}{4}$, $\frac{2}{4}$ and $\frac{3}{4}$.

Computing

Program on screen objects using clear instructions. Use these algorithms in Logo and Scratch.

History Adventurers & Explorers

The lives of significant individuals who have contributed to national and international achievements

Art Line and Pattern

Observe lines and patterns in objects and pictures.
Develop line drawings and patterns.

DT Puppets

Develop designs for puppets.
Mark out, cut and join fabric.

Geography

Use world maps, atlases and globes
Name and locate the seven continents of the world and the five oceans.
Explore aerial photographs to recognise landmarks.
Recognise seasonal changes.
Locate hot and cold places of the world in relation to the Equator and the poles.

RE Human responsibility and values:

how and why people show care and concern for humanity and the world.
Identity and belonging: how groups express their identity and belonging and how faith affects people's lives.
