Remote Learning Information –Year 2 **Tuesday 5th January**

Dear Parent / Carer

Remote learning will take place on DB Primary for all children in KS1 (Years 1 & 2).

Work will be published every morning at 9am, with a welcome email from one of the year group teachers. The teacher will again email at 12.30pm to check in on the children and give guidance if required. The KS1 timetable will be the same for every child.

Weekly Timetable

	Lesson 1	Lesson 2	Lesson 3	Lesson 4	Lesson 5
Monday	Phonics	Maths	Literacy	Wellbeing	Science
Tuesday	Phonics	Maths	Literacy	Wellbeing	PSHE
Wednesday	Phonics	Maths	Literacy	Wellbeing	PE
Thursday	Phonics	Maths	Literacy	Wellbeing	Topic
Friday	Phonics	Maths	Literacy	Wellbeing	

To try and ensure communication / support is strong we have created an email link for every year group. If you have any concerns / or require help please use the address below. Emails will be responded to between 9am – 4pm each working day.

Year 2 - year2@oakview.herts.sch.uk

Year group staff have been split into teams with one teacher and TA working in school direct teaching vulnerable / key worker children and the other team working remotely supporting all the pupils who are online.

Additional to the education support each child will have a personal email / check in with the year group teacher each week on DB Primary. This is to check on their welfare, ask how work is going and in general a touch base support tool. We hope this will be a positive support for all our children.

Empowering skilful, independent learners for the future

Free School Meals (FSM)

Following government guidance if you are in receipt of a FSM the school must provide a meal option for all children who are not attending as a result Covid 19 restrictions.

The school will provide a food parcel each week on an allocated day to our families. As you are aware, due to the late decisions being made, the school will endeavour to send this week's food parcel out by Thursday / Friday.

Remote Learning Technology

We are aware that not all families have access to IT to support remote learning. In school we do have additional devices that we would like to offer to families during these difficult times. If you wish to apply for a school laptop please go to link below to complete the application form **by 12.00 noon on Tuesday 5th January** and a staff member will be in contact following the application.

Please go to link <https://form.jotform.com/210034028312336>

I hope this letter has provided all the information you require and thank you for your support. Please use the year group emails for any questions / concerns.

Kind regards

Mr N Richardson
