

Our theme this term is:

# Natural disasters

## Geography

Children will have the opportunity to understand and explore how disasters are formed and the way in which they affect the global community. Children will produce pieces of writing relating to the events studied.

## PE

The children will be given the chance to develop their ball skills e.g. dribbling, passing, kicking and throwing.

Children will also have the opportunity to express themselves through dance.

## ICT

The children will be learning about e-safety and how to stay safe on the internet. We will also be using the computers to find and present information.

## PSHE

Children will have the opportunity to take part in Jigsaw, our new PSHE program which is focusing on Dreams and Goals this term.

## Literacy

We will be looking at fables and how they teach us useful life lessons through morals. The children will gain a good understanding of using inverted commas for speech and will write their own fable with their own moral. We will focus on using punctuation correctly, as well as working on the quality of the children's handwriting and varied sentence structure.

## Maths

We will be consolidating our knowledge of place value and the four operations. The children will learn different strategies and develop mental recall.

The children will also be developing their knowledge of fractions, position and direction, angles, 2D and 3D shape, measures, data handling and problem solving.

## Science

We will be looking at the importance of a healthy balanced diet. Children will begin by identifying the different food groups, their uses and which food belong to each. Children will have a chance to investigate light and shadow and how things change throughout the year. Children will carry out a number of scientific investigations to solidify understanding and understand the term 'fair test'.

## Art/DT

We will develop our skills and understanding of the use of texture in art work. Using different mediums we will create our own work using inspiration from collages, prints and clay.

In DT we will be looking at packaging as well as designing to suit a specific audience. This will link to our healthy eating topic.

## Spanish

Children will be learning about verbs, greeting a friend and counting in Spanish.

## RE

The children will learn about Christianity, Hinduism, Islam & Sikhism by becoming familiar with stories, religious beliefs and events.
